ARIZONA FFA SPRING CONFERENCE

On February 13th, 2012, Paradise Valley FFA Members attended the Black Canyon FFA District CDE Field Day in Chino Valley, AZ. We took four teams up to compete.

One of the teams competed in the Aquaculture CDE. As part of the Aquaculture CDE, team members must be able to identify different species of fish, take a written exam and perform a hands-on practicum. Our team did very well Isaiah Govea placed 2nd place individually and they received 1st place as a team.

We had an Agricultural Mechanics team compete. Joey Snavelly, Sam Osterlind, Dillon Roos and Jacob Kelly participated in that CDE and while they did

not win an award, they put forth a great effort.

We also had an Entomology team consisting of Victor Santana and Robbie Holland. This is a first for PV FFA as we have never had an Entomology team before and they did very well.

We also had a Nursery Landscape teams who placed second overall in the District consisting of Brenna Hyduke, Cami Muñoz, Cheyene Cortes and Trey Bachtiger with Trey placing 1st individually.

We are very proud of all of our CDE participants and we wish them the very best of luck as they move on to the state level to compete at the University of Arizona in March.

IN THIS ISSUE:

- Spring Conference (pg 1)
- PV Pride Day (pg 2)
- State Winning Aquaculture Team (pg 3)
- PV FFA Banquet (pg 4)

PV Pride Day

On March 2nd, 2013, Paradise Valley FFA held its second annual PV Pride Day Community Service Day.

This is a project we started last year where FFA members come in on a Saturday to the school and they volunteer for campus clean up and landscape projects.

This event is meant to promote pride in our school and campus and as a service project to our school and district.

In the future, we plan to begin including other clubs so that the entire school can come together for a common goal: to serve our community, school and district and promote pride among our student body.
